

“Celebration of Earth Day 2021”

Date: 22nd April 2021

Earth Day is an annual event on April 22 to demonstrate support for [environmental protection](#).

First held on April 22, 1970.

In 2021, events was focus on the theme, '**Restore Our Earth**.'

ASM's IPS organized online Celebration of Earth Day on 22nd April 2021 for one hour, Prof. Isha Bhate and Prof. Sunanda Jindal gave information and importance about earth day. 150 Students were actively participated in discussion. Students shared many ideas to save earth like instead of using plastic bags we can use cotton or paper reusable bags. Instead of plastic bottles one shall use steel water bottles. In Ganpati Festival use of Soil is better option to keep our rivers clean. Each person should take self-initiative to save our mother earth. Everyone agreed to save electricity as much as possible and will plant at least one tree in a year. Idea of Eco-friendly gift items for all occasions. After that we conducted online quiz on Earth Day. We got got responses.
