

Report on “Blood Donation Camp - 2020”

A blood donation camp was organized in our Campus on 15th January 2020 . All the preparations such as arrangement of beds, sanitation etc were made. A team of doctors and nurses from the Moraya Blood Bank had reached in time. The Chief Guest of the Camp was the SDO of the city. He inaugurated the Camp by cutting the ribbon. The Faculty, students of our Institute and the other people of the city were participated in the camp. I was also enthusiastic for donating blood. I laid down on bed with a soft ball in my hand. Then the process of extracting the blood started. The process took more than half an hour. After it, along with the another donators, I was given fruits and milk. There were prominent people of the city who were there to donate blood. The Blood Donation Camp continued till 3:00 pm. After that, the Chief Guest delivered the speech extolling those who had donated their blood. He told the audience that the donated blood would be used for saving the lives of the injured and the sick. One of the doctor also addressed the audience saying that the blood donation does not weaken the donator. The recovery takes place very soon. He talked about facts/ myths/ Blood Groups related information. The SDM also handed over the Certificates to the blood donators. The Blood Donation Camp was ended with National Anthem. It

was certainly a memorable day for me. We faculty members and students decided to donate blood in future also.
