# **Distribution at Orphanage**

When all you know is hunger it becomes all you know of life. It hollows out your body, weakening your immune system and leading to disease.

Most of us are fortunate—we don't know what it's like to be that hungry.

But millions of people do. Malnourished mothers give birth to underweight babies leading to a high mortality rate. The children who survive face their own battle due to a lack of food.

*"Poverty is a complex issue, but feeding a child isn't" - Jeff Bridges*

We have donated food, Clothes and some of the books to the kids at **Nirmal Bal Vikas Sanstha Chakan.**

**Nirmal Bal Vikas Sanstha** is a Orphan Organization that was started in Chakan, Pune. NBVS was established in the year 2004 with just 8 childrens by founder Late. **Nirmala Sawant.** NBVS was started with a very humble purpose to give a new identity to the orphan & destitute to grow under community. We at Happy Home want to realize the full potential of our children. We want to ensure that they will be able to reintegrate their community as healthy, happy, responsible and independent adults. To enable them and give all rounded supportive services, so as to be effective and useful citizens of the country. In the heart of every child is a hunger for home. Not just for food and a place to sleep, but for safety and community. Most importantly: for love. It's not always easy, it comes with a long list of challenges to overcome... but we are doing it! Lives are being changed and stories rewritten. We are excited to have you along for the ride.
