

Report on “Blood Donation Camp”

Date: 24th June 2022

Blood is the most precious gift that anyone can give to another person – the gift of life. A decision to donate your blood can save a life, or even if your blood is separated into its components – red cells, platelets and plasma – which can be used individually for patients with specific conditions. It is rightly said that blood is the most valuable present that one can bestow to another person. Being a blood donor and increasing global awareness for safe blood and blood products for transfusion for patients in need is a beautiful humanity act.

ASM’s IPS organized Blood donation camp on 24th June 2022 in association with Moraya Blood Bank. The event was conducted from morning 9:30am till 5:00pm at IPS campus. The team from Moraya Blood bank was in ASM IPS with all necessary logistics and medical equipments. A whopping 77 students donated blood in the camp making it a massive success. After donating blood donator got some energy drink and biscuits.
