

## Report on “Marathon”

Audyogik Shikshan Mandal’s Institute of Professional Studies have contributed towards Rotary by running a marathon called as “**Marathon**” on 13th January 2019. Dr Sandeep Pachpande (Chairman), staff members and Students have equally participated and ran for a long run of about 10kms.

Marathon is one of the most challenging and rewarding event that anyone of us will experience. the marathon is exquisitely set to take us beyond our comfort zone into a realm in which we confront the limitation of our body and our mind. The marathon is a long-distance running race with an official distance.

*“If run a mile you will experience a different life, run a marathon”*
