

MINDSCAPE 2019

(19th & 20th October 2019)

ASM Mindscape provides a right platform for corporates to maximize learning opportunities and demonstrate their knowledge to advance solutions and recommendations to a business problem. As the 16th edition of Mindscape 2019 Case Study event for Corporate, we were exhilarated to have received the almost 40+ Teams from about 25 industries, participating in India's exclusive case study competition. The event's unique form, fast-paced structure, and mentoring by qualified professionals is what sets it apart. The event was attended by faculty and student members of the institute.
