## MOU for Industry Institute Facilitation

With reference to the discussion about industry Institute Facilitation between ASM Group of Institutes and MICRO-Vision Tool Room Services, it has been agreed by MICRO-Vision Tool Room Services to extend their support to the students of following ASM Group of Institutes:-

1. ASM's Institute of Business Management & Research (IBMR)
2. ASM's Institute of International Business & Research (IIBR)
3. ASM's Institute of Professional Studies (IPS)
4. ASM's Institute of Computer Studies (ICS)
5. ASM's CSIT

This support will include the following activities:-

1. Permission for Industry Visit, to help the students understand the working of an organisation and provide insights into the corporate world, at a mutually convenient date & time.
2. To provide Internship & placement opportunities as and when it arises
3. To share the industry experience and expertise with students through various seminars and workshops.
4. To share details of employees who would like to take the responsibility of mentoring the students of ASM Group of Institutes on a regular basis.

The objective of the association will be to prepare the students to meet the challenges of the professional world and to try and help them by providing a stepping stone into the corporate world.

Thanking You,

For ASM's Group of Institutes
