## **6.2.2 Implementation of e- governance in areas of operation**

To provide simpler, transperent and efficient system of governance within the institution, ASM's IPS has adopted e-governance in some of the functional areas such as student admission and support, library management, accounts management, internal examinations etc.

Following is the details of e-governance adopted by the Institute for simpler, transparent and efficient governance according to different areas of operation.

A) Website: Institute website is updated on regular basis. Students, teachers, alumni and other stakeholders gets a direct access to vital information about all activities happening in the institute, news, upcoming events, important dates about examination form, scholarship form, eligibility forms, academic calendar, timetables etc. The parent trust appointed third party agency 'Innoserv' to update and maintain institute website on regular basis. The URL of institute website is <a href="https://www.ips.edu.in/">https://www.ips.edu.in/</a>.

- **B)** General Administration: Personal computer with 24x7 internet connectivity and all necessary softwares installed are given each and every administrative staff member. All PC's are connected to institutes LAN and every PC can be accessed through any PC connected to LAN. Each section of administration is also equipped with printer, apart from this network printer is also installed. To ease out internal communication institute had also provided intercom facility to every teaching and non-teaching staff member. To avoid risk of data theft, data corruption and virus attack on the database, all the computers in the administration department are protected by Quick Heal antivirus software.
- C) Student admission and support: Institute has provided an online platform through which any MBA aspirant can send his enquiry for taking admission for MBA program in the institute. All enquiries generated through the online enquiry form are handled by admission counselors of the institute. Apart from this, institute is also using a third-party online application called 'extraedge' to handle admission enquiries and to track of all activities / information / communication happened during every engagement between admission counselor and MBA aspirant.

D) LMS & Internal Examination: Institute is using Microsoft MS Teams as its Learning Management System (LMS) to support tradition face-to-face interaction between teacher and student, as well as blended / hybrid and distance learning environment. Institute has extensively used MS Teams during COVID- 19 pandemic period for conduction of lecture in blended as well as hybrid mode. MS Teams is also used by institute to conduct online MCQ examination, oral examination, written examination, submitting and checking assignments remotely.

E) Library Management: Library at ASM's IPS is partially automated, we are planning to automate our library fully by the end of the academic year 2023-24. Currently ASM's IPS is using Auto Lib software NG- OPAC version. Library is also using Delnet and Knimbus platform to provide remote access of e-contents to the students and staff members of the institute. Institute has also subscribed for e-journals and e-books. Multimedia facility is also provided in the library and students are using this multimedia facility to access e-contents available on world wide web.
