**Ajay Mehata**

Congratulations on completing  
**“Did You Know that you can Build Powerful Automation Using  
Variables and Advanced Data Type Commands?”**  
course at Automation Anywhere University.

With this training you have acquired skills and knowledge that will allow you to continue your journey to Robotics Process Automation success.

At Automation Anywhere, we believe that people who have more time to create, think, and discover build great companies. We wish you continued success in all your endeavors.

Go Be Great!
