Hi Vaishali Jawale,

Thank you again for expressing interest in Coursera!

Our mission is to transform lives through learning, and we want to help your students by offering courses online to minimize the impact of the coronavirus on their education. We are glad to be able to support your community with this response initiative. We're excited to let you know that your Coursera for Campus program for your learners is ready and is officially launching today 04/20/2020. You can access your new program(s) [here](#).

The following individual has been provided organization administrator access. They can add additional administrators on your Coursera portal.
