

## TEAM BUILDING TRAINING

**Date:** 22<sup>nd</sup> October 2022

**Venue:** ASM's IPS's Auditorium

**Introduction:** Team building training for non-teaching staff is crucial to foster collaboration, communication, and a positive work environment within an educational institution. Non-teaching staff members play a significant role in the smooth functioning of the institution, and team building can enhance their effectiveness.

**Objective:** Team building training for non-teaching staff aims to achieve various objectives that contribute to a positive and collaborative work environment within an educational institution.

**Speaker / Resource Person:** Dr. Sudhakar Bokehode, Director of Institute of Professional Studies.

**Report:** On 22<sup>nd</sup> October 2022, ASM's IPS organised team building training for non-teaching staff. Dr. Bokehode, first explained the meaning and importance of team building in work culture, then he described the stages of team development. Then he told how team building can enhance communication skills among non-teaching staff. It builds a sense of unity and shared responsibility for common goals. Speaker then explained how team building can ensure each team member understands their contribution to the overall objectives. It fosters a positive and supportive work culture. Team building can create an environment where conflicts are addressed openly and resolved efficiently. Team building can develop problem-solving skills within the team. Due to team building activity non-teaching staff understood how their work contributes to the institution's success. At the end of the session speaker conducted few team building activities through different games.

The team building training was very effective.
