

“BLOOD DONATION CAMP”

Date: 14th March 2024

Time: 10.00AM – 02.00PM.

Venue: ASM's IPS Campus, Pimpri,Pune.

Introduction: ASM's IPS College organized a blood donation camp on 14th March 2024 in collaboration with Red + Plus Blood Center Bhosri, Pune. The purpose of the camp was to promote awareness about the importance of blood donation and to contribute to the noble cause of saving lives.

Objective:

- 1 To encourage volunteers among students, teaching, non-teaching staff of IPS for blood donation.
- 2 To collect a substantial amount of blood to support the needs of patients in hospitals and blood banks.
- 3 To cultivate the feeling of giving back to the society.
- 4 To imbibe the feeling of social responsibility.

Speaker /Guest: -

Report: The organizing committee made necessary arrangements in collaboration with local health authorities, including setting up donation stations, arranging medical staff, and promoting the event. Flyers, posters, and social media were utilized to spread awareness and encourage participation among students, faculty, and the local community. Donors were required to register before donating blood. Basic health check-ups were conducted to ensure donors met the necessary criteria.

Trained medical professionals supervised the blood donation process. Donors were briefed about the procedure, and precautions were taken to ensure their comfort and safety. Refreshments were provided to donors post-donation to help replenish their energy levels. Donor information and blood samples were properly documented for future reference. Total 60 donors donated blood to the Red Plus Blood Centre. Certificates were given to blood donors.

Certificate

This is to Certify that

ASM'S Institute of Professional Studies, Pimpri

arranged a blood donation camp for our blood bank

on 14th March 2024 and 60 persons donated blood on this occasion.

We sincerely thank the organisers as giving blood is the gift of life.

HOD Blood Bank

Outcomes:

1. A total of 60 units of blood were collected during the camp. These donations will be crucial in supporting local hospitals and blood banks, contributing to life-saving treatments for patients in need.
2. The event witnessed enthusiastic participation from students, faculty, and staff, with 60 individuals stepping forward to donate blood. This strong turnout demonstrated the community's commitment to social responsibility and humanitarian efforts.
3. The camp also served as an educational platform, raising awareness about the importance of regular blood donation and its impact on saving lives. Many first-time donors were educated on the process, benefits, and safety of blood donation, helping to dispel any myths or fears associated with it.
4. Donors underwent a preliminary health check-up, including blood pressure, hemoglobin levels, and basic health assessment, which provided them with valuable health insights. This aspect of the camp encouraged participants to pay more attention to their health and well-being.
