

“Science Day”

Date: 28th February 2024

Time: 02:00PM – 05:00PM

Venue: ASM's IPS Auditorium, Pimpri, Pune.

Introduction: The ASM's IPS celebrated Science Day on 28th February 2024 with great enthusiasm and active participation from students and faculty. The event aimed to inspire a deeper understanding of the role of science and technology in the business world and how scientific thinking can enhance management practices. The day was marked by various activities that showcased the innovative ideas and scientific curiosity of the students.

Objective:

1. To promote scientific thinking and its application in management.
2. To highlight the importance of innovation and technology in the business sector.
3. To encourage students to explore the intersections between science and business.
4. To foster a spirit of inquiry and curiosity among students.

Speaker /Guest: -

Report: Science Day started with felicitation of chief guest after that Chief guest Dr. Sudhakar Bokephode – Director of ASM IPS inaugurated the function by cutting ribbon at the entrance of the event.

Students showcased various projects and models that demonstrated the application of scientific concepts in business. Projects ranged from data analytics models to technological innovations in supply chain management and marketing.

Prizes were awarded to the best projects. The event concluded with the distribution of certificates to participants and winners, recognizing their efforts and contributions.
