

YIN Talk 2025

Date: 14 August 2025

Time: 10:00 AM – 1:00 PM

Venue: ASM IPS Auditorium

Introduction

On 14th August 2025, ASM's IPS College, Pimpri, hosted a vibrant and insightful event combining creativity, digital media knowledge, and entrepreneurial wisdom. The program featured Omkar Jadhav, renowned host of the popular Amuk Tamuk Podcast, followed by an Entrepreneurship Development session led by Mr. Ravikant Varpe.

The event was organized under the Youth Inspiration Network (YIN) initiative, aiming to inspire students through real-life experiences of successful creators and entrepreneurs. The session drew enthusiastic participation from students across departments.

Objectives of the Event

- To provide students with insights into the digital creator economy and content creation journey.
- To inspire youth to explore their creativity in the digital space.
- To educate students on entrepreneurial thinking, opportunity identification, and business development.
- To bridge the gap between academic learning and practical industry experience.

Report

Part 1: YIN Talk with Digital Creators

Speakers: Omkar Jadhav – Amuk Tamuk Podcast

- Shared their personal journey of starting and growing a podcast from scratch.
- Discussed challenges of building an audience, maintaining content consistency, and monetization strategies.
- Emphasized the importance of authenticity, storytelling, and adapting to digital trends.
- Engaged students in a Q&A session, addressing questions on equipment, promotion, and creative blocks.
- Highlighted how digital platforms can be powerful tools for youth expression and influence.

Key Takeaways

- Consistency and quality are key in digital content creation.
- Collaborations can help in audience growth.
- Personal branding builds trust with followers.

Part 2: Entrepreneurship Development Session

Speaker: Mr. Ravikant Varpe – Entrepreneur & Mentor

- Spoke about the entrepreneurial mindset and its role in career development.
- Shared real-life case studies of startups and business innovations.
- Discussed risk-taking, resilience, and networking as pillars of entrepreneurship.
- Encouraged students to identify problems in society and turn them into business opportunities.
- Provided practical tips on starting a business with minimal resources.

Key Takeaway

- Entrepreneurship is about solving problems, not just making profits.
- Adaptability and learning from failures are essential for long-term success.
- Networking and mentorship accelerate business growth

Audience Engagement

Over 150 students attended the event, showing high levels of enthusiasm. Active participation in Q&A sessions was observed. Students expressed interest in starting their own content projects and entrepreneurial ventures.

Outcome:

The event inspired students to explore opportunities in digital content creation and entrepreneurship. Participants gained practical insights, improved networking skills, and developed a stronger entrepreneurial mindset, motivating them to start creative projects and business initiatives
